Experienced Sales + Customer

Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this

industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

This vessel was SOLD on May 6.

This 2012 Howard 28 SCS is a 29'

High-Performance open bow Power Catamaran

located in Mabank, Texas.

This boat is truly a rare find and was custom ordered by the original owner who worked hand in hand with the manufacturer to pick out the wild custom color scheme.

Based on the popular Howard 28 sport deck, the owner indicates this boat is the first open bow version built by Howard.

Looks are only half the story here as this boat has the ultimate in a performance featuring a Mercury Racing HP700 SCi engine mated to a robust Mercury X1 outdrive with a top-end speed of 93mph! Always stored covered and out of the water, the boat only has 20 hours that were documented by an engine scan performed in January 2022.

The interior is first-class all the way with custom colors, snap-in carpet and a very clean Livorsi dash set up that also includes a Mercury Racing Vessell View computer.

If you are looking for a go-fast boat that is like no other and is completely custom, this Howard 28 SCS will make you the envy of any boat ramp!

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit SellBoatsAndRVs [dot] com to learn more.
