About Us: POP YACHTS SALES
Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Laguna 11.5 Meter.
Ready for the next
adventure.

Land: Vereinigte Staaten

Stadt: Catawba Island

Baujahr: 1972

Beschreibung: Stock #334118 -

This vessel was SOLD on June 29.

An iconic American Marine Laguna 11.5 Meter. American Marine manufactured the Laguna sport fisherman in 1972 and 1973 along with the Grand Banks line of trawlers. The Laguna was manufactured in 2 sizes; 10M (100 made) and 11.5M (71 made). The 11.5M has a 14.5' beam and weight approx 22k lbs dry. The company later became Grand Banks.

The boat has turbocharged twin Caterpillar 3208s that produce 300 HP each. It is incredibly well balanced with the engines amidship and fuel tanks (approx 300 gals total) outboard of the engines. Batteries (2 8D's) are just forward of the engine room.

The interior is done in a spectacular teak that is unavailable on today's boats. There are 2 marine air

air conditioners, a stand-up shower, 2 cabins. To port, there are 2 bunks and forward is a V berth.

Electronics include a Garmin GPS, Raytheon radar, and Raymarine Dragonfly fishfinder. There are upper and lower helm stations with hydraulic steering.

This is a very comfortable boat; the owner has owned it for over 15 years. There is a Lowrance windlass, Onan generator (needs a head gasket), microwave, cooktop, and everything needed to liveaboard or cruise.

Oil and filter changes and fuel filter changes have been done regularly, and the engines have less than 2000 hours. The boat has been stored inside a heated building by the current owner for 15 years and the previous owner for 7 years. It is not a fast boat, but very heavy and comfortable.

Swim platform with transom steps and a waist-high transom rail for safety while fishing from the spacious aft cockpit, aft deck with live bait tank and ice hold for the catch. Small drawers and storage for fishing gear, stainless and teak ladder to covered flybridge helm and access to lazarette and storage space below the aft deck.

A sliding door to the main salon with a convertible single berth, a small functional galley to port side with lower helm to starboard. The centerline companionway leads down to a spacious head with a separate shower stall on the starboard side, a midship stateroom with lower double and upper twin, vanity and storage on the port side. Ahead to hanging lockers on starboard then forward to vee berth.

At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market. We encourage all buyers to schedule a survey for an independent analysis. Any offer to purchase is ALWAYS subject to satisfactory survey results.

You have questions? We have answers. Call us at (941) 538-7803 to discuss this boat.
