Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. 2010 Century Center Console. PRICED TO SELL!
2011 TWIN 225HP YAMAHA!

This 2010 Century 2600 Center Console is ready to fill up with fish! All it's missing is a captain and a crew.

Large and spacious open deck to approach fish from all sides of the boat's rails and to maneuver while the fish are reeled in. Aft-deck live bait tanks and below-deck fish holds.

Ample open seating with cushions for a family cruise. Seat cushions are removable to create deck space for the fighting anglers. Plenty of storage throughout the gunnels. Wash stations and hoses for deck washing.

Console privacy compartment that houses a spacious

vacu-flush head plus storage.

The boat is outfitted with rocket launchers throughout.

The transom has an integrated walk-thru door. Step inside and you'll see a large live well on the rocket launcher-type seat with a sink and cutting board.

A small tilt-out tackle locker beneath the sink holds two plastic tackle drawers.

It comes well equipped with in-deck fish boxes with macerator pumps that drain overboard for all your catch.

To the front is a large lounge-type seat with lots of storage underneath and an electric windlass!
