Commercial fishing vessel with lots of updates.

Solid commercial fishing boat can get you out on the water to all the good spots to fill your holds. Strong Detroit diesel you can rely on.

Huge fish box on back deck can hold a ton of fish. Reels attached to the boat to help keep you steady while reeling in your catch.

After fishing all day, use one of the berths to lie down and rest on the trip home.

Lots of electronics upgrades to help you navigate the sea. Depth sounder will help you find the fish. And a stereo will help you relax with plenty of music to sooth the sailing soul in all of us.
