Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Practical design that is easy to handle!

The Key Largo 2000 CC is designed for both
fishermen and recreational boaters.

For fishermen, there is a large forward casting
platform with underneath storage. Live wells in the
front and rear allow anglers access to bait without
disrupting fellow fishermen. Coaming pads add
comfort when fighting the big ones. The
Humminbird Helix 7 fishfinder locates the fish.

For recreational users, there is seating for seven and
a bow cushion makes the forward platform a great
sundeck. There is also a seat forward of the center
console, dual helm seating, and a transom bench.

The swim platform with boarding ladder provide

easy access for watersports.
