Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

One of a kind electric runabout commissioned from
sailboat builder Mark Johannesen!

This is a custom built boat by Johanssen Boat
Works. It is 16 feet long. Originally built based on a
Raider 16 -- the builder and current seller put this
custom little cruiser together.

Equipped with two Torqueedo Travel 1003C electric
motors -- lit tops out at about 10 kilos an hour.

Also Minn Kota motor for maneuvering in close
quarters or around shoals\

Dual throttle control console for the two motors.
plus linked tillers for steering

This boat has open layout and is a fun day cruiser
around a lake or on the ICW

Great boat for a day out on the river.

The boat weighs approximately 250 lb

2 battery banks of 2 batteries each keep you powered up -- you can cruise at 5 kilos an hour for about 3hours
