Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Great little Sportfisher with 240 Gallon fuel capacity
to get you to the fish.

The Bertram 28 Flybridge Cruiser is one of the best
selling Bertram models ever, with an established
reputation as a rugged offshore Sportfisher for the
serious angler, with comfortable cabin
accommodations.

The cabin layout includes a good-sized V-berth
forward and the convertible dinette for you to sleep
up to four on those overnight trips to the fishing
grounds.

The galley includes a sink, 2 burner stove, and a nice
sized refrigerator.

The head does include shower accommodations for
those trips that are extra successful.

The large house battery with 1200 watt Inverter keeps the boat well powered for a weekend of fishing.

The helm is well laid out and the electronics package includes a Standard Horizon GPS Chart 170 in color, Furuno Radar, Furuno fishfinder, VHF radio and autoPilot. The autopilot however was never fully installed and is not currently functional.

The cockpit on the Bertram 28 is large enough to handle a large number of anglers without tangling lines, and the bait tank will handle plenty of feed for the weekend.

Powered by twin 5.7L Mercruiser engines, the Bertram will easily cruise at 20 knots.
