2004 Glastron GS 249 Ready to go in water and
enjoy with your family

Climb onboard this 2004 Glastron GS249 and hit the
water for the day! The powerful 5.7L engine will get
you up to cruising speeds quickly to get you where
you want to go in a hurry.

Cruise the lake, speed up the river ... then drop
anchor with the electric windlass and pull out your
rods and reels and see if you can land the big one!

If it gets too late, prepare the cabin to spend the
night on the water. Use the small berth for the kids
and the large berth for the adults. The galley allows
you to bring food to store in the refrigerator and
cook using the stovetop or microwave. So heat up a
hot breakfast for the family, fire up the engine, and
head out again.
