This freshwater Crownline 250CR represents the perfect boat and trailer package for anyone looking to enjoy a summer on the water with family and friends.

This boat offers maximum versatility as it has an 8-1/2 foot beam and it comes with a tandem-axle trailer with surge brakes. So you can store it in your driveway if you choose and take it with you to your favorite lake or river for water sports, cruising, fishing, and the occasional overnight in a secluded bay.

The cockpit allows for ample seating for family and friends and you can sleep two in the large V-berth forward and two more in a cozy mid-cabin berth.
