Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. This Sundeck 240 is all about the seating. Passenger capacity allowed at ten friends. With three steps up on the stainless steel beach boarding ladder, the transom bench is supported with a spacious backed aft seating that when lifted houses the insulated engine compartment. Place the hinged back down, the stern and aft combine to make a two-person comfortable sun pad.

Next to the port side bench seat continues a passenger adjustable bucket chair with bolster matching the captain's chair with swivel and

personal settings.

Moving through the safety door and walk-through windshield is the leg-stretching bow lounge with dual cushioned seat backs appointed with stainless cup holders and grab rails.

Both seats have hydraulic lifts to accommodate storage. Between is a center bow seat pad that invites comfortable access to the anchor storage and another access ladder.

Starboard in aft along the fiberglass deck is the beverage center with sink & faucet, and under is a convenient cooler tucked for all-day refreshments.
