Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Well maintained 1989 Sea Ray Sundancer! Ready to hit the water!

This is a 1989 Sea Ray Sundancer 300. It's powered by twin Mercruiser 5.7 liter engines and SE106 outdrives.

Topside, the cockpit is dominated by an elevated double helm seat with a flip-down, aft-facing jump seat and a built-in refreshment center. Storage pockets were under the gunnels and a transom door as standard. Additional features include a radar arch, teak bow pulpit, and a swim platform.

The floorplan is arranged with double berths fore and aft, and privacy curtains separate the fore and aft sleeping areas from the main cabin. An enclosed head includes a sink and shower, and two hanging lockers offer adequate storage.

There is a lot of space in the Stand up cabin, which

features a microwave, galley and fore & aft double cabins.

Newer Garmin Plotter & sonar, Inverter, VHF, anchor winch, spotlight, stereo, pressure water. A large Swim platform with ladder for easy water access.

The 300 Sundancer rides on a solid fiberglass deep-V hull, and her wide 11-foot beam results in a fairly spacious interior with berths for four adults and two kids.
