Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Excellent Condition 2016 Sea Ray 240 Sundeck
ready for a day on the lake or harbor.

This is a great boat for a day on the water with your family and friends. You can seat comfortably 13 people and enjoy all the watersports and time on the water in style.

The boat has a Mercruiser 350 MAG with Bravo Three outdrive. Plenty of power for the whole crew.

The wakeboard tower (\$5,000) from the 13th tower and monster wakeboard racks makes it perfect for those wakeboarders on board while the bimini gives you shade on those blistering days in the summer.

The sun pad on the stern has a tilt-up backrest that can be used as a spotter for wakeboarding, skiing, or tubing.

A new sound system is added to the boat w/ a Kenwood stereo, Kenwood controllers, and two amplifiers with Rockford Fosgate M2 8" tower speakers, new Kicker boat speakers, and a new subwoofer

There is a porta-potty and private changing room for those who rushed to get there and didn't have time to change.

This Sea Ray 240 Sundeck has been well cared for and is ready to make another family as happy as this one has been.
