The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

This vessel was SOLD on July 10.

Describing a 19-foot boat this powerful wasn't possible - until now. Yamaha's reliable supercharged 1.8 liter Super High Output Marine engine packs plenty of horsepower. The extra roomy layout delivers the look and feel of a much larger boat.

An oversized, in-floor locker easily accommodates wakeboards and towables. A distinctive helm and a wealth of features give the AR192 an unmistakable style.

The seller has upgraded the entire stereo system with amps and a subwoofer with two more big speakers on the tower.
