Experienced Sales + Customer

Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this

industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment. skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet

Awesome Wahoo 1750 Offshore, single-owner boat with a 90 HP Mercury engine!

This 1995 Wahoo 1750 Offshore Bay Boat has a lot of life left in her and is looking for a new home! She needs a good cleaning and a little TLC but looks like a fun little project and it won't take much to bring her back to life.

The 17-foot bay boat is a single-owner boat with a 90 HP Mercury engine. The Mercury, along with the boat, has been under cover for the past 10 years and has not been cranked but is reported to have had low hours and running strong when put away 10 years ago.

Weighing in at only 890 pounds the owner reports the 90hp engine will push her along at over 40mph!
