Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

This vessel was SOLD on June 29.

Introducing the 2005 Crownline 270 CR! She's located in Flint, Texas and has only been used in freshwater. The full enclosure is included and is in great condition! The bottom has been freshly painted, and the seller added a very high-end Garmin GPSMAP 943xsv Radar and GPS!

This beautiful express cruiser looks great inside and out. It has a Working Kohler generator and working a/c. It'll be hard to find a cleaner boat than this Crownline. The seller has really shown her love.

She's powered by a Mercruiser 496 MAG engine with a closed cooling system. Bravo, three Seacore outdrives with counter-rotating props! The engine has 889 hours, and the Kohler generator has 288 hours. A Heritage trailer is included with the boat.

The 2005 Crowline 270CR is an all-around great family boat. For days on the lake or weekend trips on the coastal waterways, this Crowline has you covered when it comes to comfort.

The boat has all your standard necessities: air conditioning system, Kohler Power Systems generator, fresh water holding tank, trim tabs, full galley kitchen, microwave, shower/head, three marine batteries, windlass anchor, lots of storage and fold-down aft seating!!

The galley is fitted with a sink and pressurized fresh water system, refrigerator, handsome cherry wood cabinetry and microwave oven. The V-berth dinette converts to a spacious sleeping area. The vented and lighted head has a sink, shower and vanity. It's the ideal combination of comfort, convenience and efficiency. It just doesn't get any better than this.
