Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

200HP 4 stroke outboard engine, Thick cushion long lounges, Nice Flooring, Amazing JL audio stereo,

The brilliant Avalon Tritoon is barely used with a 4-stroke 200 hp outboard from Suzuki. The tritoon is kept on a lift in a private boat slip on Lake Norman near Charlotte.

With only 210 hours and sparkling care given this boat, why shop for a new tritoon when this beautiful Avalon is priced right and ready to go?

The layout is packed with seating. Long twin lounges in the bow, two companion adjustable captain's chairs, and near aft is a smaller twin lounge conversation room.

The 25' total LOA boat is equipped with a ski tow bar above the engine. The non-slip flooring is a real

safety feature and is in good condition. Three safety doors are designed into the layout.

The tritoon cylinders have unique strakes and fins and an outer layer of metal curved over each one. They are clean and without lake grime.

The helm with a windscreen has the navigational gauges needed to cruise and turn. On the left is a Lowrance. The Captain's pedestal chair is dynamic and matches the passenger pedestal chair with adjustable arms. The metal art styling on the sides is unique and striking.
