About Us: POP YACHTS SALES  
Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Descrizione: Stock #276328 -

Lightly used Rinker Fiesta Vee 270; Low hours on the engine and generator; Needs a little TLC to get her back up to speed!!

This family cruiser, with a mid-cabin layout was the first year Rinker introduced the single-level cockpit on this model, and it's much improved over her previous design. She is 30' 4" in length overall with the swim platform and her wide beam increases her cockpit space and stability in rougher seas.

The vessel is powered by a single Mercruiser 383 MPI engine with 350 HP. The seller says she is economical to run and has plenty of power for the boat.

The cockpit is huge for this size boat. The cushions are in decent condition with no mold or staining, but there is some cracking on each end of the largest

cushion. The transom seat has a filler cushion that converts this area into a large lounge for the sun lovers!!

The helm is nicely equipped with a GPS and VHF. Up at the bow, you have a windlass anchor winch with helm-mounted controls, plenty of room up here for sunbathing!!

The cabin was good condition. You have a full head with shower, small galley with sink, single burner alcohol/electric stove and microwave. The aft cabin was plenty big enough for two adults, and the V-berth converts to a sleeping area for two as well.

The vessel is equipped with a 5 KW Kohler generator and air conditioning. The generator has less than 250 hours on it.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [SellBoatsAndRVs \[dot\] com](http://SellBoatsAndRVs.com) to learn more.

This listing has now been on the market 30 days. If you are thinking of making an offer, go ahead and submit it today! Let's make a deal!

Reason for selling is no longer in use..
