Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Check this out - this pre-owned 2016 Glasstream  
240 CC effectively combines the Glasstream legacy  
with the latest innovations in center console designs.  
She is sleek with a dynamic profile and a custom  
stepped hull

There is a functional layout, great for fishing and  
this vessel truly delivers an amazing fishing  
platform.

Powered by a single motor which is a Mercury  
4-stroke with 150 horsepower, the Glasstream 240  
CC is functional, comfortable, and absolutely perfect  
for both offshore and inshore fishing and family fun.

This boat is great for a family day of fun at the

sandbar!

The 150 HP Mercury powers the boat to a top speed in the high 50 MPH range. The engine was originally black and was recently painted white with new decals.

She runs like new and is always professionally serviced every 6 months. She starts right up every time and was recently serviced on 4/5/22.

Included in the sale is a recently added Bluetooth sound system with JL speakers and amplifier.

You will love the underwater LED lights and the full LED lighting inside. For navigation, there is a Garmin GPS, a VHF and a compass.

Added recently are 2 new bilge pumps.

For your convenience, there are shore power battery chargers and a dual bank battery.

Recently added is a new laced T-top cover.

She's a fishing machine that includes a transom aerated live well, port, and starboard gunwale rod racks. There is a 240 qt fish box with an overboard drain and raw and freshwater washdowns. There are removable aft seating and removable backrests.

In front of the center console is a front-entry storage compartment with plenty of room to add a porta-potty.
