Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

The Mac 65 was designed specifically for the Transpac. An impressive cruiser and racer that sleeps 8!!!

The MacGregor 65-1 was originally designed specifically for the Trans Pacific Race (Transpac). The boat is powered by a Pathfinder In Line 6 Cylinder, 85 HP diesel engine with dedicated fire protection in the engine compartment, and another fire extinguisher in the salon area.

The vessel is equipped with a GPS chart-plotter at the nav station with a repeater at the helm, VHF radio with AIS receiving and a remote mic at the helm, a RayMarine RL80C color radar station, and radar repeater.

The port and starboard mid-ship and forward berths, a large V-berth with an after-market hatch above,

and a double aft berth allow 8 to sleep comfortably onboard. The single head has a toilet with push-button macerator, a sink, and a shower with a tub.

There is a main 12V panel, 2 auxiliary 12V panels, a battery switch, and battery charger.

The galley features a 3-burner gimbal stove with oven, a sink, and a small refrigerator/freezer (needs compressor).
