Well maintained 2005 Malibu Wakesetter VLX!
Ready to hit the water!

Located in Davenport New York this 2005 Malibu Wakesetter VLX is ready for an action-packed day on the water.

Powered by an Indmar 5.7L LCR inboard engine pushing 320 HP. Plenty of juice to get you up and out of the water.

The PerfectPass; a \"marine precision speed control system\" which allows you to pre-set multiple desired speeds for different watersports.

With the stock Malibu \"Wedge\" lowered and locked into position, the wake of this boat is big enough to surf, just as is. With built-in ballast tanks under the floor and on either side of the engine in the aft, with the ability to fill or empty each independently from the console with the flip of a

switch, you can fine-tune a perfect wake on the fly.

Collapsible wake tower so you can stow the boat easily.

With seating for 11 passengers, bring the family and friends for a fun filled day on the water. The Bimini top provides plenty of shade for those hot days on the water.

The 2005 Boatmate trailer is included in the sale price.
