The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

Great combo fishing and family boat. Best of both worlds. You will never see another one like this

This is a unique boat that offers the best of both worlds, comfortable fishing and great family fun. There is only one like this so don't wait.

She is a mix between a shallow bay boat and a pontoon. With the very shallow draft and jack plate you can get in and out of some tight spots.

Think of the fun you can have with your friends and family landing at even the shallowest beaches and spending the day making memories. The seller has added underwater and under seating lighting along with a \$4000 stereo system and Simrad GPS.

The owner is meticulous about the maintenance and taking care of the boat after every use. It has always

been stored inside and there are no blemishes that could be found.
