Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. READY TO GO! STANDARD MODEL, HULL #3,
WITH THE EXTENDABLE BOWSPRIT AND
OTHER HARDWARE FOR A SPINNAKER OR
GENNAKER!!

This is a great example of the Catalina 275 Sport.
With a total sail area (main plus jib) of
approximately 350 square feet, and a lead fin keel of
1,875 lbs. The self-tending jib allows for
single-handed sailing in both light and strong winds.

The owner really likes the spacious cockpit with
plenty of room for family and friends, and with large
lockers for gear.

The other big plus is the relatively high freeboard for
safety in rough seas.

Overall, it is a beautiful sloop-rigged sailing delight. Easy handling, easy reefing, with an adjustable main sheet traveler for sailing very close-hauled and pointing high to windward.
