The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

This vessel was SOLD on July 31.

2020 Tahoe bowrider on a trailer with very low hours and loaded with features.

This model T16 has the upgraded Mercury 75 HP four-stroke motor that makes it great for pulling tubes or skiers. It's well laid out with backward-facing seats for towing safety and a large sun pad and twin lounges to carry up to six people.

The Tahoe has a bimini top with an integrated changing compartment for privacy and a recessed swim ladder at the stern.

Plus, there is plenty of storage to choose from. There are storage compartments under most of the seat

cushions. The bow seat compartments have drains in them and can be used as coolers. A large ski compartment is located mid-deck for easy access.

Grab your water gear and accessories and make your way to the swim platform. Hook up to the stainless steel Turboswing circling the engine and let the fun begin.
