This Harris tritoon boat features some great details you don't find in other boats! The ladder at the back makes it easy to get in and out of the water. The continuous end bolt helps it to stand up better to waves.

The Captain's chair features a high rise back and the 7\'' screen makes it easy to monitor your speed and depths. There are tons of storage and cup holders throughout the vessel.

The rear lounge is versatile and faces forward while cruising, but easily converts to a large sunbathing area. The second set of radio controls makes it easy to turn up your favorite song while lounging at the back or from the Captain's chair.
