The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. If you are in the market for a great conditioned Cuddy Cabin then consider the 2002 Regal 2150LSC and what it has to offer.

In fact, this custom build is powered by a 5.7 L Volvo Penta that is a great combination with a Kenwood stereo system. The interior cuddy cabin has a small sleeping cabin that is a great option for an overnight stay.

However, the upholstery is in great shape and provides a great feature that is ready for boating. Moreover, it also has a spot for a porty potty to be installed if so desired.

Also, the cuddy cabin has a sunroof as an added feature, making this a great option for family fun and recreational boating. Therefore, if you are interested in tubing and skiing, this is a great option with plenty of power and space for lounging and

recreation.
