The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

The 23 Shoalwater Cat is the largest model in the Shoalwater line. The boat rides excellently in extremely shallow waters and runs well in the heavy chop of the bay and inshore waters. The 8" draft will allow you to get shallower than any bay boat on the market today.

The boat is equipped with a Simrad Depth/Fishfinder, Livewell, rod holders, and storage for your fishing gear. The boat has the capacity to carry 9 people and comfortably fishes 4-6 with the large front casting platform and rear deck.

The 23 Cat has become the boat of choice for guides in Texas due to the excellent ride in all water conditions, extremely stable hull design and a spacious cockpit that allows anglers plenty of room to cast and move around.
