Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

1964 RARE Chris-Craft CUTLASS 22 - Refurbish  
this and you have a real classic! Engine runs strong!

This is your chance to own a rare Chris-Craft  
classic. This 22 foot Cutlass Cavalier was purchased  
by the current owner with dreams of refurbishing the  
boat. Alas, he needs to pass it along to someone else.

The boat is powered by a Chris-Craft 327 (Chevy  
Block) with 210 Hp, and a direct drive. The engine  
is easily accessible for maintenance. There are basic  
instrumentation and controls included.

There is a cuddy cabin that will sleep two, with a  
manual marine toilet and 12 volt cabin lighting.

This is a great winter project that will have you on  
the water next spring.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.

This listing has now been on the market a couple months. Please submit any and all offers today!
