Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. AR195 Freshwater boat, comfortably holds 8-10,
Upgraded sound system with blue tooth radio!

Yamaha introduced this AR 195 in 2017 to replace
the 190. The increased performance from the
supercharged

4-cylinder, 4-stroke, Super Vortex High Output
Yamaha Marine Engine is impressive and the
modified hull design has created a more spacious
and comfortable interior for a 19' boat.

The jet drive features a new reverse bucket that
improves lateral thrust for better control around the
dock, and the Yamaha \"articulated keel\" rudder has
been revised to reduce drag.

The collapsible radar arch with integrated bimini top
provides shade for captain and crew. Plenty of
seating fore and aft for up to 8 as well as under seat
and below deck storage.

Get ready to enjoy the fun and thrills of jet boating

with family and friends in this sporty jet boat from Yamaha.
