 Experienced Sales + Customer Service
 The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. ***LOW LOW HOURS!!** WOW! BEAUTIFUL
TIGE SKI BOAT! THIS ONE IS A BEAUTY AND
RUNS GREAT!

You will have a very difficult time finding a
direct-drive, early-90s ski/wake boat with these few
hours on it.

Tige boats have long been known for great handling
in a variety of conditions. At just 2,800 pounds with
a 350 cid engine attached to a direct drive
powertrain, you'll be on-plane and on your way to
the cove faster than you can believe.

Lighten the load for tournament-quality slalom
wakes or load it up with ballast and your crew for
shreddable wakeboard wakes.

A tear-free bimini keeps it cool when the temps rise and the classic teak swim platform is a perfect spot to chill.

This Tige is a great boat for the tow-sports enthusiast and, with under 400 hours of freshwater usage, will be a solid boat for years to come!
