Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

The Trojan 40 MY has a timeless profile, the layout and room aboard provide comfortable accommodations, and the hull production and Chrysler power plants provide all-around good performance and handling.

The Trojan 40 MY performance and stability come from the fiberglass hull that possesses a moderate beam, a nearly flat after section, and a shallow keel that provides directional keeping attributes.

The two-stateroom layout is arranged with the salon accessed from the cockpit. The galley down from the salon. Forward of the galley, off the companionway, is the enclosed head and forward stateroom.

A ladder leads to the flybridge from the aft cockpit area.

The flybridge layout consists of two pedestal chairs, the helm, and a passenger bench seat in front of the helm.

Entry into the salon is provided via a sliding glass door.

The salon area is covered in carpet with a sofa and dining table with chairs.

The lower helm station is located to starboard in the salon area and can be hidden in a very clever and stylish cabinet.

Windows surround the entire salon area. Aft is the sliding glass tinted door and windows. Forward are three large windows that also have a canvas cover to protect the interior from UV and provide privacy.

The galley is a step down from the salon. The galley comes complete with a sink, a fridge/freezer, a 3-burner stove with protective cover, sink, microwave and storage.

Forward the galley is an enclosed head to port and the forward stateroom.

The enclosed head features a foot-flush toilet, sink with cabinet, a shower and a medicine cabinet with a mirror.

The aft-stateroom is finished with a hanging locker, storage drawers and compartments, an opening overhead hatch, and a full bathroom.

The head has a sink, medicine cabinet, flush toilet and tub with shower head.
