Experienced Sales + Customer
Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Fisherman's Fishing Machine Clean and Tricked Out

This Scout 245 XSF Saltwater version is designed for mastering open water fishing and some recreational boating.

The 245 XSF is a forward seating Sportfish model Center Console by South Carolina based Scout Boats. The 245 XSF measures 24 '5" long with a wide beam of 8' 6". This four-seat 2600-pound dry weight power-packed center console is powered by a Yamaha 250 HP four-stroke outboard that will get you to plane in about five seconds and cruise at 35 knots.

The Scout 245XSF contains a 125-gallon fuel tank allowing the anglers to get to the fishing grounds and back with unequaled range.

Once on site, this Fisherman's dream features Traxtech and Magnum metals trolling and

downrigger equipment. All gunnel-mounted equipment is mounted in rod holders; no additional holes were drilled in the gunnel. All of the gear comes off clean leaving transom and the gunnels in nice condition.

The helm features a full instrumentation panel tilt steering wheel, Raymarine chartplotter and 49E marine radio, Lenco trim pads control, a Fishhawk x4 downrigger data system control and a JBL Infinity stereo system with Bluetooth. The hardtop canopy over the helm includes a rod holder rack mounted to the back of the hard canopy and a drill hole mounted and beautiful custom canopy rod holder.

The Scout 245 features insulated port and starboard fish boxes (40 gallons each), an insulated forward cooler (40 quarts) and the forward console seat houses an insulated console cooler (165 quarts). Two baitwells sit port (9 gallon) and starboard (10 gallon) aft with room for a large bucket inside the starboard well.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.

Please submit any and ALL offers - your offer may be accepted! Submit your offer today!
