The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Beautiful 380 Sundancer, well maintained and ready
to drive away.

This 1999 Sea Ray 380 Sundancer was the top
selling boat in its size range back in the day and it
remains a very popular design to this day, offering
much more interior space than the the more modern
Sea Ray 380 and 390's.

This beauty has a huge interior with its spacious
salon, and a home-sized galley that includes a
full-size refrigerator.

A pocket door separates the forward stateroom from
the salon while a curtain provides privacy for the
mid-cabin area.

Topsides, this boat shows very well with a cockpit
that is dominated by a big U-shaped lounge aft of
the helm.
