A Great Opportunity to Own this Rare Bertram 46 Yacht. Twin Detroit Diesels, Bow Thruster, Radar, Autopilot, Dual Chartplotters, 16KW Genset and More!

This grand cruiser by Bertram has spent most of its life on fresh water in the Great Lakes. For the past few years, it has motored around the waters of the Chesapeake Bay, which is brackish water.

The current owner just replaced 1 of the 4 onboard AC units. The vessel is in really excellent shape for its age and the twin Detroit Diesels are original to the boat with ONLY 1944 hours.

The galley has an updated residential refrigerator with an ice maker and a newer microwave, along with an oven and cooktop.

Both cabins are spacious and well-equipped and the dinette even breaks down to a sleeping berth.

This Grand Lady is ready for its next port of call!
