About Us: POP YACHTS SALES  
Experienced Sales + Customer Service  
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Beautiful 2004 Gemini 105MC, Loaded with Great Features, Very Clean, Dingy Included with a 2015 Yamaha 9.9 HP motor!

Don't miss your chance to own this beautiful Gemini 105MC sail catamaran. It is impressive the amount of space and accommodations that have been designed into this very clean 33' vessel. This catamaran is light and bright, and the windows will provide panoramic views of your favorite destination spots.

As you enter the salon, there is a nice size U-shaped dinette that can seat six comfortably, and the folding teak table-top can be lowered to convert to a queen-sized bed. The teak and holly laminate flooring provides easy upkeep and beauty throughout this vessel.

Both windows on either side of the entryway slide down to allow for additional ventilation and easy communication with the cockpit.

The galley is starboard; the size has been significantly increased from previous models. It features a double-sided stainless steel sink, a two-burner stove top, and an oven. There is plenty of vertical countertop space for all your food prep. There are storage cubbies and space below for your cooking needs, including a sliding cupboard and a shelf above the sink that runs the entire length of the galley.

The main bedroom is forward on the starboard side and includes a queen-size bed with a padded headboard and shelf storage around much of the cabin. Beneath the mattress is a Froli Sleep System to add additional comfort; there is a large hanging locker, a large storage locker, four tilt-out storage drawers, and a locker for small personal items.

Aft is two guest cabins, one on the starboard and the other on the port side. Both guest cabins feature full-size berths, a hanging locker, nightstands with storage beneath, a pull-out drawer, and additional under-bed storage, and they both have two opposing port windows for cross ventilation.

On the port side is the navigation station with a chart table, cubby storage, and sliding cabinet storage. Forward on the port side is the head, which has a new compost toilet and a separate standing shower with a fold-away door to keep the other areas dry. The head has a stainless steel sink, a mirror, a medicine cabinet, and a roof hatch for ventilation.

On deck the cockpit is very roomy to accommodate your family and friends, there is a hardtop and a custom bimini top to provide protection from the elements. The recessed aft coming provide easy access to the transom and there is a retractable stainless steel swim ladder. There is also a Kato marine dinghy davit with a custom hammock with seating for two or lounging, so you can really relax

while on anchor.

The cockpit allows easy access to the Westerbeke diesel engine with only 1200 hours. The engine drives a liftable, steerable, outdrive leg from Sillette Marine with a 20" propeller that can motor in less than 2' of water, this Gemini has two 18-gallon fuel tanks.

The Centerboards are operated from inside the boat and will easily kick up if the boat is grounded. The boards allow a 5'6" draft when fully lowered and only 18" of draft when fully raised, making this an extremely versatile boat.

The Seller had the Gemini hauled out April 2023 and the bottom paint was updated (photos shown).

The helm seat is foldable and removable, and all the controls are right at the captain's fingertips.

Electronics Include:

Garmin GPSMSP 942 touchscreen chartplotter (2014)

Compact Rib 310 dinghy with a 2015 Yamaha 9.9  
HP motor.

Call to make an appointment to see this fantastic sail  
catamaran in beautiful Indian Harbor Beach, Florida.

The Buyer should verify all specs and features  
during the Buyer's Due Diligence Process, which  
can include a personal inspection, a water trial, and a  
professional survey (at Buyer's expense).

Condition:

This Gemini 105MC is in good condition. One step  
aboard, and you can tell she has been cared for. She  
is very clean inside and out. She has some spider  
cracking in the gel coat, which is cosmetic in nature  
and typical for the Geminis of this era.

The Seller had the Gemini hauled out April 2023  
and the bottom paint was updated (photos shown).

Both her Mainsail and Genoa are original but are in  
serviceable condition. The Gemini's rigging was  
inspected in 2017 and found no issues with the  
standing rigging, the owner confirms. This sail  
catamaran is ready for her next adventure.
