Crownline designed and laid out this 26 foot cruiser brilliantly, giving you the feel of a larger cruiser with a smaller cost to operate. It is also easily trailerable.

The highlights of the cockpit layout are the double-helm seat (2-person capacity), with 180 degree \"swivel to face\" feature, along with the convertible sun pad to the rear (aft). The \"swivel to face\" double helm seat allows all occupants to be involved in the conversation and the entertainment.

The convertible sun pad aft allows for a flat, spacious lounge area that easily converts into a

comfortable seating bench. Underneath is ample trunk storage.

The 6.2 Liter small block power plant coupled with the dual propeller Mercruiser Bravo Three drive system easily propels this beauty on plane easily and maintains a comfortable cruising speed.

This vessel is a great all-around boat for family, entertaining, day boating and lounging out on your favorite body of water or for overnight adventures.
