The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

Fantastic condition Supra SE550 loaded with upgrades and awesome wakesurfing boat technology!

Seat your whole crew with an open main passenger area (thanks to the V-drive) and a large bow sun pad. A large bimini provides shade for the cockpit. Copious storage under the seats, in the board racks and via top-mounted surfboard pockets ensures the deck remains uncluttered.

This 24-foot 6-inch wake boat cranks out massive, clean custom shaped surf waves on either side thanks to 3,200 pounds of ballast and the available Swell Surf System. This system features dual surf tabs mounted on the transom which allow you to easily switch the wave from one side of the boat to the other.

Power is plentiful with the 575HP 6.2 liter Indmar

Raptor Roush Supercharged with 580 ft lbs torque.
The engine and wakes are customizable for each rider and precisely managed by a GPS speed control system.
