Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Lightly used Robalo R230! Low hours! Super clean!
This fishing machine is loaded with a 250 HP
Yamaha engine!

The Robalo R230 is the perfect center console boat
for anglers and boaters alike. With its Hydro Lift
multi-angle hull design, fold-down aft seating,
built-in 25-gallon bait tank, and comfortable, yet
functional bow section, the R230 is ready to take on
your fishing adventures.

With a passenger rating of 12, the Robalo is great for
family outings as well as fishing trips. Besides all
the seating options, there's also an enclosed head
with a porta-potty that's never been used.

At the helm, the 9" Garmin
GPS-chartplotter-fishfinder is an awesome way to
find and stay on the fish, and the Yamaha gauge will

keep you fully updated on the boat's systems.

The Yamaha 250 VMAX SHO is the newer version that puts out 40% more charging power, so you'll be able to add on all the electronics you wish and be able to keep the batteries easily charged.

When you're ready to fish, both the bow and with the stern seats down offer even more room for your anglers during a hot bite.

Get ready for winter fishing, or snag this Robalo before spring. Give us a call today to see this Robalo R230.
