Beautiful Monterey M6 ready for a new home.

The ultimate bow rider, this boat can do it all. A super comfortable layout allows you to configure this boat for any needs.

At the bow, the whole seating area can be either transfer to a dinette, single forward-facing seats, or a sun bed. There is also a boarding ladder and anchor compartment.

Midship, you have a big bathroom on the port side, which has its own light, sink and head with plenty of room to stand up. Near the head entrance, you have a convertible lounge that can either face forward or backward. Also, there is a big compartment on the floor.

At the helm, all of your controls are easy to reach. Everything is labeled and conveniently located. The gauges are right below your eyesight which is great while running the boat. The steering wheel tilts, and the captain's chair swivels and has a bolster.

Aft, there is an L-shape seating area, with flip-up cup holders. On the starboard side, there is a wet bar with cooler storage and garbage storage underneath. There is also a sink here. The bimini top provides shade to this whole area.

At the swing platform, the rear-facing seats convert into a sun pad too, and there is a big lazarette for your water gear.

Overall if you want to do water sports, cruiser or just enjoy the sun, this boat will be the most comfortable way to do it.
