The seller bought the boat about 5 years ago, he has
always stored it inside. He thought he would fish
and just enjoy the boat, but life gets in the way.

For fishing, the live baitwell comes in handy.

Sleeps a crew of 3. Livewell, sink and cutting
station, mini fridge and head. All speakers and lights
on board are functional.

This is a fast, capable 23-footer, well worth
considering if you don't have the budget for a boat
that can cost more than the average house.

Angling features in the 2359 Walkaround include
twin sub-deck fish bins, plumbed live bait tank,

quality rod holders and gaff rack.
