Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

SALE PENDING 180 Dauntless powered by
a 150HP Mercury motor with only 18 hours.
Transferable warranty through 2029!

The 2021 Boston Whaler 180 Dauntless is a very
versatile boat, suitable for fishing, skiing, and other
water sports. The boat is powered by a Mercury 150
HP four-stroke outboard engine with only 18 hours.

This BW was custom-built for the current owner to
provide a vacation getaway during COVID.

The seller says the boat is good for any water
activity but has not been used for fishing yet. He
only used it to tow an inflatable and kneeboard.

The boat is equipped with the sun lounge bow
package that fills in the bow. This package fills in
the center of the bow area with cushions for

lounging but is not shown in the pics. It seats 8 people the way it is pictured without the bow package.
