Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Mercury 225 HP outboard, Minn Kota auto-deploy
trolling, Garmin electronics and low hours!

Super-clean and lightly used Mako 215 WA. This
Mako Walkaround is well-equipped for fishing,
cruising, and overnighting, and it is available for
sale in North Florida!

Head out for a day of fishing and cruising and stay
the night or even all weekend. This trailer-able
cuddy cabin can do it all.

The smart deck layout of this Mako incorporates
cockpit seating, tackle storage, fish boxes and a live
well. The molded steps on the boat sides of the deck
lead to the forward deck where there is room to relax
or reel in a big catch.

For fishing, a large-screen Garmin GPS fishfinder is at the helm. The Minn Kota 24v trolling motor auto-deploys and also has a remote control. And, this one has spreader lights and rocket launchers mounted on the T-top.

The cabin contains a V-berth, rod storage, and a freshwater sink. The Sony Marine sound system is in the cabin and speakers are mounted in the cockpit.

The Mako brings a lot of power to water with its 225 HP Mercury Optimax engine. Put the throttle down and let the fun begin!

Don't let this one get away! Call or email with questions, or make an offer to hold the Mako!
