Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. This modern and stylish Brig Eagle 6.7 RIB can
carry up to 11 people.

The boat is easy to drive and very safe, which is why
these are popular with boat clubs and boat rental
operations. They are very forgiving of first-time or
inexperienced boaters while providing plenty of
performance and utility for the seasoned boater.

Powered by a 150-horsepower 4-stroke Mercury
outboard, the helm features fully integrated Simrad
electronics in a \"glass cockpit\" configuration and a
pair of individual bolsters on the bench seat for
co-captains.

The mast/tow pylon enables clearance over the engine, and there is plenty of seating aft. There is also a large storage compartment under the aft bench seat and a flip-up table behind the helm seating.

An overhead bimini offers protection from the elements when needed, and forward seating is plentiful, along with additional storage.

** The seller includes a boating orientation class to help you get out on the water faster!
